MEETING & PRESENTATION FACILITIES

Flex 8B is a well-equipped room that's perfect for educational or training purposes. Designed to resemble a traditional classroom, it features large tables and comfortable chairs to accommodate a group of learners. With a projection screen, it's easy to display visual aids or present slideshows to aid in learning. What sets Flex 8B apart is its spectacular view of the outside world, providing a refreshing and stimulating atmosphere for learners. Whether you're conducting a training session or a classroom lecture, Flex 8B provides a comfortable and stimulating learning environment that is conducive to learning and success
