- 13** The Road to your event
- 14** Get in touch!

A photograph of a large, modern building with a green facade and white accents, situated next to a pond. The building has several windows and a parking lot with cars. The pond is in the foreground, reflecting the sky and the building. The background shows a clear blue sky with some clouds. The entire scene is framed by a dark grey border.

# WELCOME AT **AED STUDIOS**

**AED Studios is one of the largest, most complete and ecological studio complexes of Europe. It is the perfect location for all kind of projects, even the most ambitious ones.**

**Surrounded by forests and water, the studio infrastructure is naturally integrated in its environment. The broad range of modern facilities are designed to meet all your functional requirements.**

**We handle our guests with personal care and a main focus on service, as we believe that this will strongly benefit the execution of your project. In sum, AED Studios is a state of the art choice for your project. It is strategically located and has all the functionalities in house to be the destination for your creation.**

# AED ECOLOGY LABELS

Think about tomorrow when choosing your event location. At AED Studios, ecology and economy go hand in hand. The many permanently decorated rooms with modern ecological AV materials allow you to organize your event with the lowest possible CO2 emission, without compromising on creativity.

Welcome your guests in a green and oxygen-rich environment.

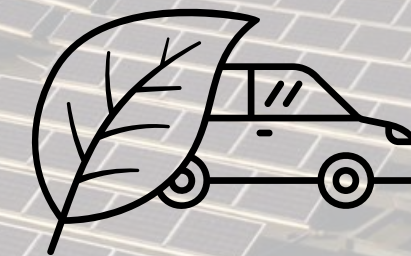

## ECO infrastructure

- 1.5 megawatt solar panels
- 1.2 megawatt battery packs
- LED lighting
- Recovery of rainwater

## Save on transport

- Event furniture on-site
- AV materials around the corner
- Construction and dismantling crew

## Green Mobility

- Trainstation Kontich-Lint across the street
- Bicycle route
- Charging station for electric cars

# STUDIO 16 - EVENT HALL

**Studio 16** offers unparalleled versatility for your events, providing a dynamic space that caters to various needs and preferences.

The studio is equipped with a fixed stage, cutting-edge projection & LED capabilities and professional sound and lighting installations, ensuring that your event is nothing short of spectacular.

Whether you're planning a corporate conference, a live performance, a product launch, or a private celebration, Studio 16 is equipped to meet your requirements. The spacious reception area adds an elegant touch to your event, with the flexibility to be closed off automatically for more intimate gatherings or open for larger affairs.

For those seeking a more intimate setting, **Club 16** offers all the amenities of Studio 16 without the reception area, making it ideal for smaller groups or events where a more cozy ambiance is desired.

Looking to expand your event space? Studio 16 also offers the option to rent with an additional reception area, known as **Reception Area B**, providing even more flexibility and customization options for your event layout.

We understand that every event is unique, and our versatile spaces are designed to adapt to your vision. Experience the epitome of event excellence with Studio 16 - where possibilities are endless, and memories are made.
