

Theater

With 450 seats, this theater offers the perfect setting for live performances and intimate concerts. The large stage is positioned close to the audience, ensuring maximum interaction and a unique sense of connection.

A warm and atmospheric lighting setup enhances the experience, while the space can be transformed in no time into a professional auditorium with two projection screens, ideal for plenary sessions, presentations, or conferences. Flexible, inviting, and versatile, this venue combines cultural charm with corporate functionality.
